

Press Release

Surprise Your Loved One with Anantara Phuket Villas Dine by Design

Taking island gastronomy to a whole new level of romance and style, Anantara Phuket Villas invites couples to share a fantasy evening, brought to life by a private chef and butler in a choice of idyllic settings with its signature Dine by Design.

Among the many wonderful location possibilities, guests can savour an intimate candlelit meal in the privacy of their pool villa's cosy dining sala. Alternatively, stroll along an exotic pathway crossing an expansive lagoon to reach Mai Khao Beach, where a table for two can be set up on a secluded stretch of sand, with the Andaman Sea just steps away. While the resort's unique infinity pool overflows onto a shallow platform with a table placed in ankle deep water, overlooking the flame lit lawn and beach, and Phuket's famous sunset.

In these inspirational settings, the discreet service of a personal butler tends to every need, ensuring that the entire evening unfolds in seamless exclusivity. Couples dine on carefully devised menus of exceptional local and global flavours, which can be fine tuned, and even replaced with a completely new culinary sequence, by collaborating with a private chef.

The Anantara Signature Seafood Dinner for Two comprises an overflowing platter of coveted local and imported seafood, accompanied by sumptuous dressings and sauces, tossed salad greens and jasmine rice, and concluding with a lemon granite dessert. The Royal Thai Siam Plate commences with gourmet Thai appetisers, followed by specialties fusing the finest land and sea ingredients, rounded off by a traditional Thai dessert.

For the Barbecue menu, guests enjoy a mezze platter while Mediterranean and Middle Eastern marinated meats are flame grilled to perfection, accompanied by delicious sides and finishing with a decadent sweet finale. The heart and soul of Italy is captured in the Italian Indulgence sequence, featuring imported Mediterranean delicacies to create richly authentic masterpieces, ending in a mouthwatering tiramisu. While the Andaman Thai Grill transforms an ocean bounty into a feast of distinctive Thai dishes, pairing tastes of Anantara's shoreline setting with the kingdom's famous four flavour balance.

To reserve your exclusive Dining by Design occasion, please contact Anantara Phuket Villas' Food & Beverage Concierge as early as possible to avoid disappointment, since the resort offers only one reservation per setting to ensure privacy and personal attention.

Editor's Note:

For hundreds of years throughout Thailand, people would leave a jar of water outside their house to provide refreshment and extend a welcome to the passing traveller. Anantara is taken from an ancient Sanskrit word that means 'without end', symbolising this sharing of water and the heartfelt hospitality that lies at the core of every Anantara experience.

From lush jungles to pristine beaches and legendary deserts to cosmopolitan cities, Anantara currently boasts 17 stunning properties located in Thailand, the Maldives, Bali and the United Arab Emirates and will see new openings in Vietnam, China, Bali and Abu Dhabi in 2011 and 2012.
