**WET AND WILD - CELEBRATING THAI NEW YEAR  
WITH FOUR SEASONS HOTELS THAILAND**

*New Songkran package lets guests join in the fun at the Thai New Year water festival.*

**Thailand: February 2012** - Every April sees the arrival of the Songkran Water Festival, also known as Thai New Year. Celebrated in 2012 from April 13 to 15, the festival embraces goodwill, love, compassion and thankfulness, using water as the means of expression. Originally a sign of respect, the traditional water pouring has evolved into good-natured country-wide water throwing, with locals and tourists alike roaming the streets armed with containers of water, or waiting on the side of the road with a water pistol to drench friends and strangers alike – all in the name of fun.

Feel like joining in the fun? Take advantage of one of the Songkran packages at Four Seasons Hotels Thailand - including Songkran Survival Kits - and experience a festival like no other.
